

## Bancroft Enrichment Program Winter 2012

### NEW! COMPUTER DETECTIVES: Instructed by Tiny Techs Club

Go on a mission each week! Travel the world of **Imagine Tomorrow** to places such as **Laptop Lagoon**, **Internet Island** and **Keyboard Castle!** Each session will prepare your child for the digital future while enhancing problem solving, early reading and literary skills. Children are provided with their own wireless laptop to create and express what they learn at their own pace. Parents receive a password to log on at home to access tips and online activities for reinforcement! Custom software exclusively designed for young learners, adjusts to your child's academic and technical ability levels. Very small class led by certified Imagine Tomorrow teachers ensures individual attention. Join us for a fun-filled hands-on technology adventure!

### NEW! SECRET AGENT LAB- Instructed by Mad Science

Calling all agents, calling all agents! Step into the shoes of a detective, of a spy, of a sleuth to uncover the science involved in these professions. Students will create, collect, and analyze evidence and discover what skills are necessary as a crime scene lab technician. From edible messages and decoding clues, students will have the opportunity to check out the skills that spies have in this hands-on journey into the world of espionage. Test your skills and learn how the pros do it through careful observation and techniques and build your own collection of Secret Agent tools by collecting all the take homes.

Friday	\$145	K-2	2:30-4:00	D Pod	8	January 27-March 16
Friday	\$145	3-5	2:30-4:00	D3	8	January 27-March 16

**NEW and OPEN TO GRADES 1-5! PUBLIC SPEAKING and LEADERSHIP 1: Instructed by SmartlyU (PUBLIC SPEAKING and LEADERSHIP 2 coming to Spring Enrichment Session 2012)**

**Grades 1-2** will build public speaking and leadership skills in a FUN, drama based interactive program. The children will learn to develop and organize ideas, use non-verbal communication, vocal clarity and projection, give imaginative speeches with engaging delivery, and increase their logical and critical thinking skills and more. Parents and grandparents will be treated to a student performance at the end of the session. For more information go to: [smartlyu.com](http://smartlyu.com)

**Grades 3-5** will have a great time becoming an effective and successful communicator by developing vocal clarity and projection, using expressive and imaginative language and humor, learning to summarize information, prepare and design speeches and more. Grades 3-5 will also treat their parents and grandparents to an end of session performance. Please go to [smartlyu.com](http://smartlyu.com) to learn more about this fun and dynamic program.

Day	Fee	Grade	Time	Location	Mtgs	Dates
Thursday	\$171	1-2	2:40-3:40	A3	8	January 26-March 15
Thursday	\$171	3-5	2:40-3:40	Multi Use Room	8	January 26-March 15

**NEW! INTRODUCTION TO THE MARTIAL ARTS of TAEKWONDO: Instructed by Master Grazier**

Taekwondo is a martial art from Korea with over 2,000 years of history and is known for its spectacular kicks. Taekwondo is excellent activity for all ages and teaches the same qualities that you are teaching at home. Qualities like self control, discipline and goal setting to name a few. This program will also stress the importance of exercise. In addition discuss how to deal with bullying without resorting to fighting. White t-shirts should be worn to class, and can be worn over street clothes. Please wear loose fitting pants, such as sweat bottoms, with the white t-shirts. Uniforms are optional, since Bancroft does not have a locker room to change in after school.

**\*Uniforms may be purchased through Master Grazier for \$30**

Day	Fee	Grade	Time	Location	Mtgs	Dates
Tuesday	\$96	1-5	2:40-3:40	Multi Use Room	8	January 24-March 13

**(PENDING) NEW! ROBOTICS 101: Instructed by Tiny Techs Club**

Learn the basics of Robotics! This is a complete hands-on class that focuses on science, mathematics, social studies, and more! Students work in pairs and are guided each step of the way in assembling and programming their chosen robot. Icon-based programming helps students quickly and easily learn to write and download programs to their LEGO creations. The robot which remains connected to the computer at all times, helps create a clear link between the virtual and the physical world. Small group size ensures individual attention enabling children to learn fundamental concepts in a fun and friendly atmosphere.

Day	Fee	Grade	Time	Location	Mtgs	Dates
Friday	\$129	1-5	2:40-3:40	C Pod	8	January 27-March 16

**FUNKMODE HIP HOP and BREAK-DANCE- Instructed by FUNKMODE**

Does your child love to dance? Make up their own moves? Can't sit still when music comes on? Then they are ready for FUNKMODE Hip Hop and Break-dance! Students will build their confidence while learning various Hip Hop dance styles in a positive, encouraging atmosphere. They will learn musicality, choreography and performance skills while using their own creativity and personal expression. This empowering dance style is great for girls and boys because Hip Hop is for everyone!

Day	Fee	Grade	Time	Location	Mtgs	Dates
Monday	\$101	1-5	2:40-3:40	Multi Use Room	8	Jan.23, 30, Feb. 6, 27 and March 5, 12, 19, 26

### **AFTERSCHOOL ART- Instructed by KidzArt**

Let your child's imagination sparkle! KidzArt is a drawing-based art program that's fun, noncompetitive, and builds confidence. Students will use a variety of artist quality materials with no erasers because our philosophy is "it doesn't have to be perfect." Each class is a unique drawing-based art project that develops creative thinkers and problem solvers — never the same session twice! Each session meets the National Standards for Arts Education. All materials are included, no prior experience necessary.

Please send your student with a sack lunch. Lunch will be supervised from 12:05-12:15

Tuesday	\$121	1-5	2:40-3:40	D3	8	January 24-March 13

## Bancroft Enrichment Program Winter 2012 Registration Form

Make checks payable to "Bancroft PFC." Please use a separate enrollment form for each child. Registration forms due **Friday, January 20, 2012 at 3pm. Late registrations will not be accepted.** (The only exception to this will be if your child is on a waiting list, does not get their first choice class, and is willing to take a different class that is not full)

You will be contacted if the class is cancelled due to low enrollment. Please be sure your child knows where and when his/her class is – classroom teachers, daycare staff and enrichment instructors cannot pick up/drop off your child. **All Kindergarten and 1<sup>st</sup> Grade Students must have a parent take student to and from class** or make special arrangements that are communicated on this form. No refunds after the first week of class, even if your child did not attend.

Questions? Email [bancroftpfc@yahoo.com](mailto:bancroftpfc@yahoo.com).

**Please write neatly, so the Emergency Contact Information can be read.**
