

2010 FALCON TRACK & FIELD

FEEES

In light of the recent budget cuts by MDUSD for high school athletics, the cost to maintain league competition in our district necessitates athlete supplementation. Each athlete is now asked to pay three separate fees in order to continue with the sport: an MDUSD Sport Fee payable to their respective schools, Track and Field is \$225, an MDUSD Transportation Fee (amount is dependent on the number of sports played and athletes are not permitted to participate without having paid), as well as a Team Fee. Please write three separate checks, and remember the \$225 MDUSD Sport fee, and the contribution portion of the Team Fee is tax deductible.

In an effort to provide some flexibility with costs, there are 3 packages available to choose from for the Team Fee. Each include the mandatory team sweats and shirt, accompanied by variable amounts for the Team Contribution. Of course we are thrilled to accept any additional contribution amounts you are able to make. Remember, your contributions help to cover the costs of seasonal expenses, including coach stipends, meet entry fees, administrative supplies, web site fees, equipment purchases, uniforms and facility maintenance and improvement, all of which are essential in order for us to continue to provide the best possible practice and competition environment for our athletes.
