

2011 FALCON TRACK & FIELD FEES

In light of the recent budget cuts by MDUSD for high school athletics, the cost to maintain league competition in our district necessitates athlete supplementation. Each athlete is asked to pay three separate fees in order to continue with the sport: an MDUSD Sport Fee payable to their respective schools, Track and Field is \$200, an MDUSD Transportation Fee (\$50 per athlete), also payable to their schools', as well as a Team Participation Fee (Choose from the three packages below). Please write two separate checks: one for both the "Sport Contribute to Play Fee as well as the Transportation Fee (\$250 total), and one made out to the CPHS Track and Field Team for your package choice (see below).

Depending on what level of team contribution you would like to make, there are 3 packages available to choose from for the Team Fee. Each include the mandatory team shirt, accompanied by variable amounts for the Team Contribution. Of course we are thrilled to accept any additional contribution amounts you are able to make. Remember, your contributions help to cover the costs of seasonal expenses, including coach stipends, administrative supplies, equipment purchases, rentals, uniforms and facility maintenance and improvement, all of which are essential in order for us to continue to provide the best possible practice and competition environment for our athletes.

CPHS Sport Contribute-to-Play Policy Fee.....\$200

(payable to *CPHS* directly to the treasurer. Memo: athletes name/MDUSD Track Fee)
