

2012 FALCON TRACK & FIELD FEES

MDUSD high school sports will continue **only** if the revenue collected from parent contributions and funds raised by high school sports teams, booster clubs and the United Mt Diablo Athletic Foundation meet or exceed the \$1.0 million of costs the MDUSD incurs for high school athletics. All sports within the MDUSD will be in serious jeopardy if families with athletes playing a sport do not pay their contributions in a timely manner.

Track and Field has a \$150 approved athlete sport payment amount for 2012. This payment amount covers some partial sport costs, including a set number of coaches per sport, facilities, security, and athletic department services. Track and Field also has an additional team participation fee of \$250 per athlete which covers additional seasonal expenses including coach stipends, administrative supplies, transportation, facility maintenance and improvement, uniforms, invitational entry fees, equipment purchases, and team shirts. All these expenses are essential in order to continue to provide the best possible practice and competition environment for our athletes.
