

CAMP BEHAVIOR CONTRACT

The teaching and administrative staff of Highlands Elementary School will have responsibility for maintaining discipline throughout the Outdoor education experience. If, after an explanation and reminder of camp rules, any student persists in violating these rules, parents will be contacted and requested to come and get his/her child. In such cases, camp charges will be prorated.

The above statement has been explained to me.

Student Signature

I have discussed the implications of the above statement with my child.
