5th GRADE PROMOTION

Our ceremony will be held on June 9th at 8:30am in the Multi-use Room. Students should dress a bit nicer than just "play clothes". Parents are welcome to bring flowers (no balloons) for pictures after the ceremony, but please take the flowers home with you - don't leave them with your child. We are aiming to end the ceremony by 9:45am to allow many parents to get to Sequoia Middle for the 8th grade promotion ceremony. Please remember that the office requests that you do not excuse younger siblings from class to attend this event.

STATE FLOAT PARADE

Fifth grade students are working on a state float for the state that they studied. We will have a parade on Friday, June 3, from 1:00 - 1:30ish. Parents are welcome to attend. Please come straight to the trees in front of C9 and C10 (you can sign in there) and feel free to bring a lawn chair!

REPORT CARD ASSESSMENTS

The students will continue to show me what they have learned this year as we finish our informal testing for the third trimester report cards.

CAFETERIA NEWS

Students must have accounts **paid in full** by May 23. After that point, Maureen cannot allow students to charge meals. If you are someone who waits for the white flier to let you know what your balance is, *your child will not receive a lunch* if he/she doesn't have money in his/her account.

MUSIC PERFORMANCE

Mrs. Bensen is having her fifth grade music performance on June 6, at 3pm in the MU. Please make sure that you leave time to park in the neighborhood, she will start promptly at 3pm.

EXPLORING NEW HORIZONS PHOTOS AND REFLECTIONS

Miss Gerdts will upload the remainder of our pictures this week, so you may want to browse the photos again and see if you would like any of them.

I also sent home a reflection sheet for parents to fill out last Thursday. I would just like some positive feedback on things that your child was excited about or learned at Camp Loma Mar. Did you notice that he/she was more responsible after camp? Were there topics that he/she was excited to learn more about? The fifth grade teachers are in the process of planning for next year and would like to have your comments about outdoor education to use in telling other parents about Exploring New Horizons. Your comments can be anonymous, but we would like to hear what your child came away with.

BOOK SWAP

Need summer reading? Have your child bring in gently used books on Thursday, June 2, to trade with other students. Thank you Mrs. McDermont and Mrs. Burr for organizing this!

MEDICATION REMINDER

All medication and inhalers must be picked up from the school office by the last day of school, as none will be kept over summer vacation. A medical authorization form is valid only for the school year during which it is submitted, therefore, if your child will need to take medication at school during the next school year, you will need to submit a new form from your child's doctor (Authorization to Administer Medication During School Hours) before the first day of school.
