

Dear Families,

In a few weeks we will be having "Mission Day," which will consist of fun, curriculum based activities for my students to try. One activity will be making a mission bell windchime. For this activity, each student will need to bring in a new, or very clean three or four inch pot. The size is up to you. If you are unable to provide a pot, I will be happy to supply one.

Please send the pot in by Tuesday, January 28. Thank you.

Mrs. Harrod
