June 6, 2011

Here's the Scoop!

Please send a large plastic bag with your student to school, on Monday. The kitchen wastebasket size is perfect. Your student will need it to bring home her/his *Oh! California* book and Writing Anthology. The bags will keep these mementos from getting stuffed into backpacks and dry, in case it rains. Please send in an extra bag, if you can.

Monday, June 6 - Famous Californian Presentations

Thursday, June 9 - Last Day of School, dismissal at 12:30 p.m

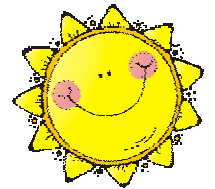

Dear families,

Thank you for your kindness and support this year. Your children were a joy to teach, and I thoroughly enjoyed being their teacher. They were respectful and eager learners, who did their personal best. I could not have asked for a more cooperative bunch of students, who were always eager to please their teacher.

I wish you all a wonderful summer filled with memorable times spent with family and friends. In the Monday Envelope, you will find a list of exciting, kid-friendly attractions for families to go to in our area. Have fun!

Sincerely,

Mrs. Harrod

Language Arts

Our last week, we will be completing a short unit on Charles Schultz, a famous Californian and cartoonist. This will involve the writing process, as well as fun art activities. Your student will learn to draw simple cartoons, and will create a basic comic strip with captions. ***Don't forget that your student has a public speaking presentation to do on Monday. Please have them prepare for this at home.***

Math

We will continue with as many review lessons as possible.
