Field Day

Wednesday is field day. We will need our volunteers to meet us out on the black top that morning for signing in and setting up the activities. Volunteers are to send their child to line up with the class as usual, and then sign in as a volunteer on the black top. Look for the third grade teachers to guide you. Thanks in advance for your help on this day.

The weather has been unusual these past few days, but let's hope for sun! It would be advised to apply sunscreen before arriving to school. If you send a water bottle it would be best to add your child's name to avoid any confusion.

End-of-the-School-Year Events

Thank you for your donations for our end of school year events. Volunteers bringing the popsicles (June 7) and ice cream (June 9) will need to deliver those on the day of the events.

Sidewalk Chalk Needed

On the last day of school we will be creating sidewalk chalk renderings of our favorite book. Please send in some sidewalk chalk so your child may create a masterpiece!

Cafeteria News:

Please make arrangements to have all cafeteria accounts paid in full **by May 26th**. Students will not be allowed to charge meals during the last week of school-June 1-9. Cash only.

MEDICATION REMINDER

Dear Parents:

All medication and inhalers must be picked up from the school office by the last day of school, as none will be kept over summer vacation.

A medical authorization form is valid only for the school year during which it is submitted, therefore, if your child will need to take medication at school during the next school year, you will need to submit a new form from your child's doctor (Authorization to Administer Medication During School Hours) before the first day of school.

Wear tie-dye t-shirts or Diablo Basics t-shirts for song flute concert and field day! If those are not available...try to wear BLUE.
