

The Scholar Times

Donuts with Dudes-Monday

Monday, June 6th we will be honoring all of our favorite dudes (dads, grandfathers, aunts, etc.). Each child should have ONE dude (or man) attend this day. If your dude is unable to attend, please let me know so that I can buddy your child up with another dude who is attending. Donuts with Dudes will take place from 10:30 until 11:30. Dudes, you will be reading books with your scholar, eating donuts, and participating in a modified "choice time." If you can only make it for a little bit, that's fine, too.

Dates To Remember

- ☺ **Monday, June 6th:** Donuts with Dudes, 10:30-11:30
- ☺ **Monday, June 6th:** Return slip of paper to Mrs. Peters if you do NOT want to loop with Ms. Prichard to 1st grade.
- ☺ **Tuesday, June 7th:** Reading Buddies—goodbye time
- ☺ **Thursday, June 9th:** Last Day of School —Beach Day (8:05-11:30, all of K)
- ☺

Last Day-Beach Day

For the last day of school (Thursday, June 9th) we will be having a beach day. This is a day full of fun activities (Bubbles, Dancing, Hula Hoops, etc.). We will also be having sundaes, popcorn, etc. There is no need for you to pack a snack that day. But please have them bring their totes for any last minute take-home work and their folder for their report cards and certificates!

All kindergarteners should plan on being at school from 8:05am until 11:30am. PM students should line up with the AM kids at the back gate in the morning.

Summer Homework!

You can find daily homework posted on our website for summer homework. This homework should take no more than 20 minutes a day (5 days a week). I will also put a 1st grade sight word list in your report card envelope. Of course, practicing and reviewing is important, but having fun is too. Make sure you enjoy your summer. Turn in your summer homework when we get back! Those who do, will be rewarded!

HOMWORK
