

Jun 6, 2011

No Homework This Week

Dates to Remember

June 6, Monday - Talent show

June 7 - Talent Show Part 2, bring a large bag to take home desk items.

June 8, Wed. - bring a board game to play with others. This will also be our end of year party after brunch. Food and help arrangements have been sent home or emailed by Mrs. Roberts.

Please discuss the talent show with your child and have him/her sign up on the form below if it was not already returned. Try to limit the activity to 5 minutes or less.

On Monday, June 6 we will be having a Talent Show to showcase our many talented students. Each child should plan to show off their special talent or skill. This should be planned

ahead at home and we will have a signup so we can provide time for all students. Some suggestions are singing, acting, reading a poem or short story aloud, demonstrating a special craft, skill, or ability

Student's Name _____

The talent I will demonstrate or perform is: _____

The winner of the Big Panda was Lily. Congratulations!

Dear Parents and Students of A-5,

I have many mixed feelings as this school year closes. I feel excitement with the many new plans and challenges ahead in this next phase of my life- RETIREMENT. I also cherish all the wonderful students families, and memories I have had over last 20 years at Monte Gardens.

**I love teaching and helping others grow and learn. I hope that your kids will write me over the summer and tell me about their many wonderful summer experiences. My new address will be:
201 Walnut, Ashland, MO 65010.**

My husband and I will be in Washington D.C. for a week, return home, finish packing, and be leaving California at month's end. We will be in our new home by mid-July and also be there to celebrate my Mom's 89th birthday and Jim's dad's 90th. We are excited to be closer to both families so we can enjoy special

times with them. I hope to work as a volunteer in the Fall at the University of MO Medical Center, Columbia Children's hospital. There I hope to tutor and work with the families during hospitalization of their children. So you see a lot of change and challenges lay ahead. My goal has always been to make wherever I go a better place. I hope I have made your child's life and education a better place.

**Love,
Jan Rybolt**
