Dear Mt. Diablo Unified School District Parents:

Please be aware that certain local travel companies will promote student trips on our high school campuses. These local companies offer such excursions as ski trips and "senior trips." Oftentimes these local travel companies promote trips directly through student representatives unbeknownst to school administrators.

Although these companies distribute permission slips to parents, these permission slips may give the impression that such trips are sponsored and/or sanctioned by the Mt. Diablo Unified School District or high school. Please be advised that neither the Mt. Diablo Unified School District nor the high schools supervise such trips, and further more cannot vouch for the level, competence, or expertise of the supervision provided.

Accordingly, please do not hesitate to contact your high school principal or the Mt. Diablo Unified School District offices if you have any questions or concerns whether any excursion is a District or school sponsored activity.

Sincerely,
